

YOU AIN'T GOIN' NOWHERE

(with apologies to Dylan and the Byrds)

G **Am**
COVID's swift, the pain won't lift
C **G**
Gates all closed, economy's froze
G **Am**
So get your mind off virus time
C **G**
You ain't goin' nowhere

G **Am**
Whooooee, my oh my
C **G**
Tomorrow's the day to still stay alive
G **Am**
Oh, oh, are we gonna try
C **G**
Stay in the easy chair

G **Am**
Buy me some food, disinfectant too
C **G**
Toilet paper and substitutes
G **Am**
Strap yourself down and dig in your boots
C **G**
You ain't goin' nowhere

G **Am**
Whooooee, my oh my
C **G**
Tomorrow's the day you don't wanna fly
G **Am**
Oh, oh, sure better try
C **G**
To stay in the easy chair

(Cont. on page 2)

YOU AIN'T GOIN' NOWHERE, CONT.

G **Am**
Well no one cares how many trillions are spent
C **G**
Times are tough, need every dollar and cent
G **Am**
So save all your money and stimulus check
C **G**
You ain't goin' nowhere

G **Am**
Whooooee, my oh my
C **G**
Boris and Charlie are positive guys
G **Am**
Doesn't matter if dumb or wise
C **G**
So stay in that easy chair

G **Am**
And Donnie T, he's in so deep
C **G**
Makin' promises he just can't keep
G **Am**
The doctors rule, forget your Veep
C **G**
You ain't goin' nowhere

G **Am**
Whooooee, my oh my
C **G**
Today's the day to laugh not cry
G **Am**
Oh, oh, we gonna survive
C **G**
Down in our easy chairs.
